Subject

Appreciation of FINISH Society in facilitating the Open Defecation Status to Sikhar block of Mirzapur, making Sikhar the first ever block of Uttar Pradesh to become ODF in 2016.

Dear FINISH Society Team,

FINISH Society was involved by UNICEF to undertake three Community Led Total Sanitation (CLTS) training sessions for Nodal Officers and Nigrani Samitis of all 35 Gram Panchayats of Sikhar Block and gave handholding support, including triggering activities, morning and evening follow-ups and mason training. These efforts contributed to the efforts made by the District Administration and translated into making Sikhar Block of Mirzapur District, Open Defecation Free, by June 5, 2016. 18587 House Holds of 35 Gram Panchayats became ODF and practice sustained use of toilet.

We thank FINISH Society for their efforts.
